

LOOKING FOR A BOTTLE OF WATER?

TAHOE HAS A LITTER PROBLEM

Plastic bottles and caps are a major source of litter. They are rarely recycled and break down into smaller microplastics that can stay in the environment forever.

THE CITY OF SOUTH LAKE TAHOE HAS BANNED SINGLE-USE PLASTIC WATER BOTTLES UNDER ONE GALLON.

WE ARE HAPPY TO BE PART OF THE EFFORT TO **KEEP TAHOE BLUE** BY:

- Filling your reusable water bottle with Tahoe Tap©. Tahoe Tap water is some of the best in the country, and all tap water is more regulated than bottled water.
- Selling plastic-free, single-use water bottles.
